## Lost and Found Pet Directory

### What do I do if I lost my pet?

- ✓ Put up flyers in the area.
  - \_\_\_ Include as much detail as possible and provide a photo if available.
  - \_\_\_ List identifying marks and any special medical needs.
  - \_\_\_ Give your day and evening phone numbers including cell phone.
  - \_\_\_ Distribute fliers in your neighborhood, schools, shopping centers, pet stores, animal clinics, emergency animal clinics, and to your pet sitter.
  
- ✓ Talk to your neighbors and the mail carrier. Ask if any one has seen your pet in the area recently.
  
- ✓ Visit all three of the Maricopa County Animal Care & Control locations every day. Calling the locations will not help you find a lost pet.
  - \_\_\_ The East Valley facility is located at 2630 W. 8th Street, Mesa, AZ 85201 (8th Street and the 101).
  - \_\_\_ The West Valley facility is located at 2500 S. 27th Avenue, Phoenix, AZ 85009 (27th Avenue and Lower Buckeye).
  - \_\_\_ The Sunnyslope location (for animals who need medical treatment) at 9226 N. 13<sup>th</sup> Avenue, Phoenix, AZ 85021
  - \_\_\_ Bring proof of ownership (i.e. photos, license, rabies & spay/neuter certificate, etc.)
  - \_\_\_ Be sure to visit daily. Animals who are not claimed within 3 days are euthanized.
  
- ✓ If your pet has a microchip, contact the company that services your pet's microchip. Confirm that the microchip is registered and report the missing pet.
  
- ✓ Report your lost animal and view postings of found animals:
